

HERSS Summer School 2021

How to Make Theory Work in Higher Education Research and Science Studies

06.-10. September 2021
Digital format, times are CET

Monday, 06. September

- 09.30 am-10.00 am **Welcome and introduction**
Julian Hamann, Christian Imdorf, Anna Kosmützky, Humboldt University Berlin and Leibniz University Hannover
on BigBlueButton
- 10.00 am-11.30 am **Keynote 1: How not to use the word 'theory'**
Gabriel Abend, University of Lucerne
on BigBlueButton
- 11.30 am-12.30 pm Get together and (optional) lunch break
on Gather
- 1.00 pm-2.30 pm **Presentations: Individual and organizational collaboration**
on BigBlueButton
- Influence and relation of organizational characteristics on intra-organizational research collaboration. The context of German universities
Sarah-Rebecca Kienast, Leibniz University Hannover
- Collaboration dynamics in international research: lessons from TLS
Kaela Slavik, University of Leiden
- International university collaborations through soft power
Dana Abdrasheva, The Education University of Hong Kong

parallel

- 1.00 pm-2.30 pm **Presentations: Power and inequalities in academic careers**
on BigBlueButton
- Theorizing the making of social knowledge and academic careers in the Global South
Meta Cramer, University of Freiburg
- Intersectional inequalities in dropout from academia in Germany by gender, social origin, and migration experience
Lea Goldan, University of Würzburg
- The prosopography of scientific elites: elite formation and perpetuation in Danish and British science
Alexander Kladakis, Aarhus University
- 2.30 pm-3.00 pm Coffee break
- 3.00 pm-4.00 pm **Presentations: Meaning making through theories and methods**
on BigBlueButton
- Theories as symbolic forms - the development of expertise in interdisciplinary research settings
Silvio Suckow, Berlin Social Science Center
- Numbers and their frailties: statistical (non-)knowledge as a matter of concern
Lukas Griessl, University of Essex
- parallel*
- 3.00 pm-4.00 pm **Presentations: How to explain the behavior of academics?**
on BigBlueButton
- The impact of academic inbreeding on researchers' productivity
Victoria Kryachko, National Research University Higher School of Economics
- The Bounded Individual Horizon
Inma Aleixos-Borrás, University of Valencia
- from 4.00 pm Optional "After school meeting"
on Gather

Tuesday, 07. September

- 10.00 am-3.00 pm **Workshop 1: Theorizing through fiction**
Sina Farzin, Universität der Bundeswehr, München
on BigBlueButton
- parallel*
- 10.00 am-3.00 pm **Workshop 2: Theorizing as Positioning in Interdisciplinary Fields**
Jelena Brankovic, University of Bielefeld
on BigBlueButton

parallel

- 10.00 am-3.00 pm **Workshop 3: Theorizing in social network analysis**
Eva Vögtle, German Centre for Higher Education Research and Science Studies
on BigBlueButton
- from 3.00 pm Optional "After school meeting"
on Gather

Wednesday, 08. September

- 10.00 am-11.30 am **Keynote 2: Doing (with) theory – between theory and practice**
Jana Bacevic, Durham University
on BigBlueButton
- 11.30 am-12.00 am Get together and (optional) lunch break
on Gather
- 1.00 pm-2.30 pm **Presentations: Organizations, Networks, and Society**
on BigBlueButton
- Strategic change or inertia: inter-organizational alliances in higher education
Hana Fehrenbach, Humboldt University Berlin
- Social responsibility in business schools: a longitudinal analysis of PRME reports
Ana Godonoga, Vienna University of Economics and Business
- Paradox of universities and companies: towards an institutional explanation
Julia Ganser, Fernuniversität Hagen

parallel

- 1.00 pm-2.30 pm **Presentations: Perspectives on international mobility**
on BigBlueButton
- Why are women more likely to study abroad? An explanation of the gender gap in international student mobility
Fine Cordua, German Centre for Higher Education Research and Science Studies
- Theorizing the mobilities of Southern students pursuing higher education in the North
Tariqul Islam, BRAC University
- Transnational, multinational, binational? The role of international education in human capital development for graduate employability
Jessica D. Schüller, University of Tampere
- 2.30 pm-3.00 pm Coffee break

3.00 pm-4.00 pm

Presentations: Literature Reviews
on BigBlueButton

Higher Education living labs: A systematic literature review
Hacer Tercanli, Münster University of Applied Sciences

Entrepreneurial university: A conceptual analysis
Habtamu Garomssa, FH Münster

parallel

3.00 pm-4.00 pm

Presentations: Organising international degrees and micro-credentials
on BigBlueButton

International degree students' experiences of support in Finnish higher education
Anduena Ballo, University of Jyväskylä

Triple helix and ecology of micro-credentials in the learning ecosystem: a case of
Indian higher education
Sharma Himani, MICA

4.00 pm-4.30 pm

Poster presentations

The never ending change of academic job categories between doctoral degree and
lifetime professorship - A study on the implementation of the tenure track professorship
at German universities
Leonie Weißborn, Leibniz University Hannover

How does the learning environment affect the emotional exhaustion of beginning
teachers?
Stefanie Gäckle, German Centre for Higher Education Research and Science Studies

from 4.30 pm

Optional "After school meeting"
on Gather

Thursday, 09. September

10.00 am-3.00 pm

Workshop 4: Doing theory in quantitative empirical research
Nicole Tieben, Leibniz University Hannover
on BigBlueButton

parallel

10.00 am-3.00 pm

Workshop 5: Theorizing as conceptual innovation
Monika Krause, London School of Economics and Political Sciences
on BigBlueButton

parallel

10.00 am-3.00 pm

Workshop 6: Future imaginaries of the public university
Richard Watermeyer, University of Bristol

on BigBlueButton

from 3.00 pm

Optional "After school meeting"
on Gather

Friday, 10. September

10.00 am-11.30 am

Keynote 3: On reflexivity
Monika Krause, London School of Economics and Political Science
on BigBlueButton

11.30 am-12.00 pm

Closing panel and farewell
*Julian Hamann, Anna Kosmützky, Christian Imdorf, Humboldt University Berlin and
Leibniz University Hannover*

1.00 pm-3.00 pm

Open network meeting for early career researchers in HERSS
HoFoNa, Insist, ECHER
on *t.b.a*

parallel

HERSS consortium meeting

on *t.b.a*.

Organizers: Julian Hamann, Anna Kosmützky, Christian Imdorf
Student assistants: Julia Frisch, Keno Vitzthum, Charlotte Hattenbach
